Iron Tonic for Enhanced
Health and Vitality

FeroMax

Iron Tonic for Enhanced
Health and Vitality

Product Overview:

FeroMax is a scientifically formulated liquid supplement designed to support the overall health and vitality of animals. Packed with essential nutrients like iron, amino acids, and vitamins, it effectively addresses nutritional deficiencies and enhances growth, immunity, and general well-being.

Composition (Per 10 ml):

Ingredient	Quantity (Per 10 ml)
Ferric ammonium citrate	1600 mg (equivalent to 335 mg of Fe)
L-Lysine	8.0 g
Taurine	8.0 g
L-Arginine	2.0 g
Malt Extract	5.0 g
Chelated copper glycinate	100 mg
Chelated cobalt glycinate	1.0 mg
Cholecalciferol	100 mg
Biotin (Vitamin H)	300 mcg
Folic Acid	2.0 mg
Cyanocobalamin	170 mcg
Excipients	Q.S.

Mechanism of Action of Alpihim:

FeroMax combines essential iron, amino acids, vitamins, and minerals to support overall animal health.

1. Iron (Ferric Ammonium Citrate):

Provides bioavailable iron, crucial for hemoglobin production, improving oxygen transport and preventing iron deficiency anemia, enhancing energy and vitality.

2. Amino Acids (L-Lysine, Taurine, L-Arginine):

- L-Lysine promotes protein synthesis and growth.
- Taurine supports heart health, metabolism, and immune function.
- L-Arginine improves blood circulation by increasing nitric oxide, aiding nutrient delivery.

3. Chelated Minerals (Copper and Cobalt):

- Copper supports iron metabolism and immune function.
- Cobalt aids Vitamin B12 synthesis, crucial for red blood cell production.

4. Vitamins (Vitamin D3, Biotin, Cyanocobalamin, Folic Acid):

- Vitamin D3 enhances bone health and immune function.
- Biotin supports skin, coat, and energy.

- Cyanocobalamin and Folic Acid promote cell division and growth.

5. Malt Extract:

Provides energy and aids nutrient absorption for overall metabolic support.

Synergistic Effect:

These ingredients work together to boost growth, immune function, and energy, improving overall animal health and performance.

Benefits:

- **Improves Red Blood Cell Production:** The combination of iron and vitamin B12 helps in the formation of red blood cells, improving oxygen transport and energy levels.
- **Enhances Growth and Development:** Essential amino acids like L-Lysine, Taurine, and L-Arginine promote healthy growth, muscle development, and immune function.
- **Supports Immune Function:** Key nutrients like copper, cobalt, and biotin work together to strengthen the animal's immune system and reduce susceptibility to diseases.
- **Maintains Healthy Skin and Coat:** Biotin helps maintain healthy skin and coat, while improving overall appearance and vitality.
- **Improves Digestion and Metabolism:** Malt extract and amino acids aid in digestion, nutrient absorption, and efficient metabolism.

Why Choose FeroMax?

FeroMax provides a balanced mix of essential nutrients that promote optimal health and vitality in animals. Whether you are looking to improve the overall well-being of your livestock or poultry, FeroMax is the perfect solution for preventing nutritional deficiencies and supporting healthy growth, immunity, and energy levels.
