Mode of Action

Virocheq works through a synergistic combination of herbal extracts, essential nutrients, and immune-boosting compounds:

•Antiviral & Immune Modulation

Andrographis paniculata, Hypericum perforatum, and Tinospora cordifolia exhibit strong antiviral properties, helping to combat viral infections.

•Respiratory & Gut Health

Ocimum sanctum, Thymus vulgaris, and Zingiber officinale help soothe respiratory distress, enhance digestion, and promote gut health.

•Antioxidant & Anti-inflammatory Support

Azadirachta indica, Asparagus racemosus, and Cinnamomum camphora reduce oxidative stress and inflammation.

•Essential Oils for Protection

Thyme oil and Mint oil provide additional antimicrobial and immune-boosting effects.

Advantages of Virocheq

•**Broad-Spectrum Antiviral Action** – Potent herbal extracts help combat viral infections effectively.
